

LIVING LAB DAY

JANUARY 21ST
MAY 26TH
NOVEMBER 17TH

On the Living Lab Day we're offering guided tours (in groups of 10-20 participants) of our four differently featured laboratories – the Living Labs. Within the general inHaus-tour, which is guided by our student assistants, you get an insight into the different laboratories. The scientific tour is guided by our research assistants. Our laboratories are being set up and further developed by several Fraunhofer Institutes and about 80 business partners.
